

Reasonable Accommodations Information

Era is committed to employing and advancing qualified individuals with disabilities and disabled veterans in its recruiting, advertising and job application process.

Qualified individuals with a disability have the right to request a reasonable accommodation when applying for employment with Era. If you are limited in your ability to use or access our careers website as a result of your disability you may request a reasonable accommodation by sending an e-mail to cgirard@erahelicopters.com or by calling (337)656-4820. Please be prepared to inform us of the nature of your request including the position for which you are applying, the reasonable accommodation you are requesting and a return phone number or email address. An employment representative will contact you regarding your request.

Thank you for your interest.
